Hello and Welcome Back Y'all,

Indivisible TX Lege is ramping up organizing to hold our state Representatives accountable in Texas. In the lead up to the 2020 election and 2021 Legislative Sessions, we're doing the work to organize, plan, and build relationships with each other to have the greatest possible impact in the years ahead.

We need YOU to be part of the process.

If you are looking to get more involved by joining one of our issue Huddle groups, making your voice heard on redistricting, or helping out behind the scenes, sign up [here](#), check out our revamped and continually improving website at indivisibletxlege.org, and join our [Facebook group](#) today!

Stay tuned for upcoming emails that offer one-stop shopping for all things TX Lege:

- Easy-to-use Calls to Action for issue- or elected official-specific actions
- Educational resources from issue huddles
- Information ranging from how the Lege works to how you join an issue huddle
- Maps, links to voting data, and other electoral resources

The 2020 election will be a turning point in history for democracy and voting rights in Texas and indeed the entire US. Join us so that we can flip the Texas State House and save democracy in both our state and the entire nation!

In solidarity,

Indivisible TX Lege Comms Team
