Hi all!

Hope you were all able to get out and vote last week and are feeling encouraged by the [Virginia state house flipping](#)! We've definitely got our work cut out for us in Texas if we want to see a similar change. Let's get to work!

### **1. Run for Office, or Recruit a Friend to Run**

We can't flip a seat if no one steps up to run. Period. And when someone steps up and runs, it helps to organize, engage, and motivate entire communities. The deadline to file as a candidate is December 9, 2019, so there's less than a month left!

### **2. Support Eliz Markowitz in the Special Election Runoff to Flip TX HD28**

Thanks to your support and the support of hundreds of Texans and Indivisible allies, Eliz was the top vote getter on Tuesday. She fell short of the 50% threshold to win outright, so will go to a special election on December 14, 2019 against Republican [Gary Gates](#).

### **3. Support Anna Eastman in the Special Election Runoff to hold TX HD148**

Jessica Farrar announced her retirement from the TX House earlier this year. On election night, two candidates, Democrat Anna Eastman and [Republican Luis LaRotta](#) earned a place in a runoff election, also on December 14. Let's make sure we hold on to this house seat to help Democrats get a seat at the table in 2021's important Redistricting work.

### **4. Give us your feedback!**

Let us know what you want to learn and hear more about! We'll be targeting sending a weekly action email most weeks between now and November 2020 and want to make sure they're as helpful as possible to make it easy for each of us to do what we can to work towards a healthier, happier Texas. Just reply to this email, send an email to

indivisibletxlege@gmail.com, or comment on our Facebook group!

That's it for this week. Keep up the great work!

Much love,  
Marieke
