Subject: Take Action! Indivisible TX Lege Weekly Calls to Action
Date: Sunday, December 8, 2019 6:54:41 PM

Hi y'all!

It's another week which means another opportunity to make some positive changes in our state!

1. Run for office! File Deadline is TOMORROW!

We've had this as an action for several weeks running, but now it's do or die time! TOMORROW is the deadline to file to run in the November 2020 election and there are still several uncontested seats across the state. It's so important to have people step up in run, even in districts where there is a low probability of winning. Why? Because having someone on the ballot builds momentum. It organizes people to get out, volunteer, block walk, and vote. And when people are encouraged to vote, they'll likely also vote up and down ballot, making it more likely that Texas will unseat John Cornyn. It helps people connect and helps build an infrastructure for progress in the future. If you have any questions about filing, please ask! There are people all across the state who are ready and wanting to help candidates run, both with information and with finances.

Deadline: Monday, December 9

Who can act: EVERYONE - if you can't run for office, you can encourage someone else to!

2. Help increase voter turnout in Texas

Texas has one of the [lowest voter turnout rates in the country](#), and it's also [one of the hardest states to vote](#). Here are a few actions you can take to help increase voter turnout in Texas.

Deadline: Ongoing, never ending

Who can act: Everyone

That's it for this week. Let's make sure we get candidates on the ballot for 2020 so we can Flip Texas and Save America!

Much love,
Marieke
