Hi y'all!

Wanted to start off our action email by giving a big thank you to all of you who volunteered for the recent runoff elections! We were able to hold on to two Democratic house seats. Unfortunately we weren't able to flip HD 28, but we DID get a good grassroots ground game organized that will help increase voter engagement and voter turnout come November. The [HD 28 runoff had a voter turnout of only 20%](#) (which is sadly pretty high for a runoff). With your effort to get out the vote, we can do better than that come November!

Upcoming dates to keep in mind:

- Last day to register to vote ahead of the March 3 primary: February 3
- First day of early voting: Tuesday, February 18
- Last day of early voting: Friday, February 28
- Election Day: Tuesday, March 3

1. Attend Phil King Event in Baytown Friday, February 7 at 7 pm and/or read the articles below

Republican Phil King is a state representative for HD 61 West of Fort Worth who is rumored to be gunning for the 2021 Speaker position. He leads the House Committee for Redistricting, and was also heard on an expert panel defending gerrymandering and voter suppression efforts. Representative King will be speaking at a Baytown Republican Women's event this Friday, and we need people to attend to ask Rep King tough questions about his record on redistricting to help shed light on his motives.
