Hi y'all,

It's the eve of a tropical storm here in Houston. Yay! So this email is going to be short and sweet.

Governor Abbott proclaimed another Special Session will start on September 20. On [the agenda](#):

- Redistricting
- How to spend funds from the American Rescue Act
- Anti-Trans Athlete Bill
- Vaccinate mandates (or more likely a mandate to disallow mandates)
- Clarification of [SB 474 that Abbott vetoed](#) and got pushback on from his base

1. Call

Call your State Rep and State Senator about an issue that is important to you.

You know the drill by now! Start calling your State Reps and State Senators and encourage them to work for legislation that actually helps Texans instead of hurting us. And you can keep calling to push legislators on any bad legislation they supported or good legislation they did not support during the regular or first two special sessions.

2. Testify

Testify at a House Redistricting Hearing on Wednesday and Saturday

This could be your last chance! We're hearing from partners that not enough Texans are taking time to testify on Redistricting.
